FRONT PAGE

DROPDOWN MENU

Dropdwn menu opens by clicking the menu icon. It opens full width on mobile device.

```
list-element {  
  height: 50px;  
  width: 100%;  
  background: #1e282e;  
  (hover): #BDD4DE; }
```

```
font-family: 'Nunito Sans';  
font-size: 16px;  
font-weight: bold;  
letter-spacing: 2px;  
color: #ff5167;  
hover-color: #1e282e;
```

LOG IN SCREEN

When you open the login screen, the background gets darker.

On mobile the login screen has width of 80% and automatic height. Background-color is #fefefe. It has two input screens: one for username and other for password. Password text is hidden.

```
login button {  
  background: #BDD4DE;  
  color: black;  
  font-size: 13px;  
  font-weight: bold;  
  border-radius: 5px;
```

You can open the login popup-screen by clicking the login -icon.

You can close the login popup by clicking X-button.

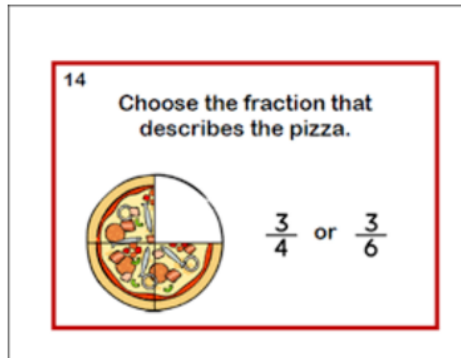

```
close-button{  
  font-awesome: fa fa-close;  
  color: #ff5167;  
  font-size: 30px; }
```

hover has the same color but it has opacity of 0.5.

If you don't have an account yet, you can sign up by clicking the link with blue color.

POST

What is the interpretation? Try to figure it out.

Nunc ac porta justo. Suspendisse accumsan ante sit amet dui mollis, quis ullamcorper nibh venenatis. Quisque commodo odio eget ultricies pretium. Fusce nec elit id justo imperdiet efficitur. Morbi in erat in ipsum dignissim pharetra bibendum in justo. Nam arcu nisl, euismod id sollicitudin vitae, iaculis non diam. Integer ac rutrum magna.

```
close-btn {  
  color: #3F5765;  
  font-size: 30px; }
```

close button has opacity of 0.6 when hovering.

Image has width of 200px on small resolution devices. Height is automatic.

This is the actual description of the post. It has width of 100% and automatic height. Font size is <p> element's default size.

The blueish box on the bottom of the post contains the information about the author, post date and likes.

```
background { #D7F1FC; }  
color: black;
```

two font awesome icons: fa fa-thumbs-up and fa fa-thumbs down.

```
thumbs-up { color: #C8CC67,  
  font-size: 25px;  
  text-shadow(0px 0px 2px black) }
```

```
thumbs-down { color: #FF5167,  
  font-size: 25px;  
  text-shadow(0px 0px 2px black) }
```

COMMENT

Comments are positioned under the post. Comment has also an author, comment date and like buttons. Colors and font-size of the buttons are same than in the post.

background is #e8e8e8;

Comment form textarea has the same layout than in ask form inputs and textarea.

```
Add comment button {
    background: -webkit-linear-
gradient(top, #efefef, #ddd);
    border: 4px solid
    rgba(0,0,0,0.1);
    border-radius: 5px;
    color: #333;
    text-shadow: 0px 1px 1px
    rgba(255,255,255,1);
```
